

All Nations Christian College Bursary Scheme

Purpose of Scheme

The bursary scheme exists to enable men and women to study at allnations who are:

- A. Planning to enter into strategic cross-cultural ministry after leaving college, and
- B. Unable to raise the full fees

Description of Scheme

There is no guarantee that a bursary application will be successful owing to limited funds available.

The bursary funds are donated by a wide variety of individuals, churches and trusts, for which the College is extremely grateful.

The grants awarded will depend on the size of the fund, and the applicants' successful fulfilment of the criteria.

In the case of applicants from "majority world" countries having very little funds, they may be considered for a 90% bursary at the discretion of the committee subject to the application meeting all the necessary criteria.

Bursaries are granted for a maximum of 1 year only, but returning students may apply for subsequent years. The College cannot guarantee that bursary applications from returning students will be granted in subsequent years.
